

The Minerva Challenges

REGISTRATION FORM

Here are easy and simple ways to get involved and start making a difference in your community by raising funds for the Abhilasha Project. Each of these different levels involves **collecting donations** for the construction of the new Abhilasha School summing up to the total amount stated below for each specific level in the span of **1 year**. You can choose any level and raise the money individually or as a group.

Join one of these Challenges today and see how easy it is to affect Change!
